

# DOMAINE JACQUES PRIEUR

## Beaune Champs-Pimont Premier Cru 2009

2009: The weather was ideal for growing ripe grapes!  
 After a long, cold winter, proper spring weather set in during the month of April with above-average temperatures that enabled the vines to grow vigorously. The warm, dry, sunny weather that occurred in the latter half of May led to quick, even flowering in the early-ripening plots (close to the dates in 2003), while flowering in the later-ripening plots was more spread out and uneven further to a significant drop in temperature in early June. However, sunshine remained above average!

The weather was mostly good in July despite numerous storms that ended up accumulating water in certain plots. The ripening phase took place under perfect conditions. Sunshine and temperatures were above average throughout August and September, interrupted only by a few brief showers that had no adverse effect whatsoever.

At Domaine Jacques Prieur, the harvest began in early September. The weather was ideal (warm and sunny) and there was no need to hurry. The grapes were in perfect condition and picking for each plot could be planned according to the perfect degree of ripeness.

Initial impressions of wines from the 2009 vintage show that they are elegant, attractive, round, silky and full-bodied.

### GRAPE VARIETY & PLOT SIZE

Grape variety: 100% Chardonnay on a 1.20 hectare plot

### TERROIR

A large plot with the evocative name of "Les Champs au pied du Mont" (or, "The Fields at the Foot of the Mountain"), located on the slope overlooking the outskirts of Beaune. This vineyard, facing due east, produces both red and white wine. Chardonnay is planted on the upper part of the slope with chalky soil that gives its mineral characteristics and unique personality. There is also often a salty flavour on the aftertaste.

### VINIFICATION & AGEING

Whole bunches of grapes were handpicked into small crates and pressed in a pneumatic winepress. Alcoholic fermentation and ageing entirely in oak barrels. 100% malolactic fermentation

Duration of barrel ageing: 19 months

### TASTING NOTES

Tasted in April 2011

COLOUR: Greenish-gold with luminous silvery-grey highlights.

NOSE: Very classy and discreet with hints of spice and toasty nuances.

PALATE: Dynamic and vibrant with marked minerality. Spices and extra fine sea salt. Tasty, mouthwatering finish, and easy to digest.
