

DOMAINE JACQUES PRIEUR

Beaune Clos de la Féguine Premier Cru 2012

2012 Virtuoso Winemaker Vintage!

2012 weather conditions showed that nature remains the determining factor in winemaking. It is still stronger than anything and this is for the best.

Throughout vine growth cycle, our vineyards suffered from the whims of Mother Nature: winter and spring frosts, significant temperature fluctuations in spring and summer, arduous flowering (coulure and millerandage), several violent storms, hail and heat, as well as strong pressure from mildew and oidium!

All these phenomena have resulted in historically low yields. Nevertheless, nature often restores things very well, so it enabled remaining grapes to fully ripen and maintain a good health condition in the vineyard.

First tastings show harmonious and savoury wines with refreshing fruitiness together with precise and particular density on the palate.
