## Beaune Grèves Premier Cru 2011

Vintage 2011, very early ripening!

After an early 2011 winter that was rather mild and dry, spring arrived by the end of March. Summer-like temperatures gave way to an extremely fast leaf growth.

Bud burst occurred within a few days by the beginning of April, which is three weeks earlier than the average of the 1994-2010 period.

Starting from the end of March, a hot, dry weather settles for three following months. This stimulates explosive and very quick flowering from the third week of May, more than two weeks earlier than usual.

Weather conditions change drastically after the 14th of July bringing autumn rain and cool air. Veraison starts during the second half of July, but the maturation drags! The vineyards though remain in a healthy condition.

Despite the fact that the exceptional spring advance in growing season was lost, the harvest starts in the end of August and lasts until mid-September, thanks to the return of a beautiful, dry, sunny and very mild weather.

This sunny weather during harvesting, allowed us to optimize picking date of each plot and to wait patiently until the grapes mature perfectly.

At Domaine Jacques Prieur, harvesting began on the 30th of August.

### GRAPE VARIETY & PLOT SIZE

Grape variety: 100% Pinot Noir on a 1.17 hectare plot

### TERROIR

Beautiful vineyard plot overlooking the city of Beaune.

Clay-limestone soil with a predominance of Grèves (small pebbles) and sand. The silica in the sand stores warmth from the sun and is an important factor in ripeness. The wines are noted for their elegance and fruit.

### VINIFICATION & AGEING

The grapes were handpicked into small crates, then sorted and totally destemmed. The wine stayed on the skins for 20 days in temperature-controlled open oak vats. Pigeage (punching down the cap) was done twice a day during alcoholic fermentation.

100% malolactic fermentation. Entirely aged in oak barrels.

Duration of ageing: 19 months

### TASTING NOTES

Tasted in April 2013

COLOUR: Very beautiful dark ruby-red and crimson colour with intense purple highlights.

NOSE: Fresh and fruity, with overtones of cherry and cherry pits, developing spicy and slightly toasty aromas.

PALATE: Tasty, with juicy fruit. Fresh, ripe, digestible tannin.
