

DOMAINE JACQUES PRIEUR

Chambertin Grand Cru 2015

2015 Exceptional sunshine!

The year 2015 profited from completely exceptional climatic conditions with surplus sunning, very weak pluviometry and very high temperatures in June and July. The strong luminosity and heat marked this year with accelerated vegetative cycle and certain stages such as flowering at the beginning of June and ripening at the beginning of August were fulgurating.

Harvests at Domaine Jacques Prieur started on 3rd September for Chardonnays and on 7th September for the Pinot Noirs.

2015 can be illustrated as an extremely early vintage and it stands next to 2003, 2007 and 2011.

The first tastings show generous white wines and refined red wines.
