## Clos Vougeot Grand Cru 2022

Vintage 2022

"Warmest year since the beginning of the 20th century. Strong vine resilience"

Despite a water deficit that began to be felt at the end of winter and high temperatures from May onwards, the vines developed very rapidly and by May 26, flowering was complete. 2022 reached the same level of earliness as 2020 at this stage.

Rainfall in June (120 mm on average) compensated for some of the lack of water, and the hot summer did not block the vine cycle.

Veraison was completed around August 15/20, and the few millimetres (20 mm) of rainfall in mid-August helped the grapes reach full ripeness.

Harvesting began on 29 August.

### GRAPE VARIETY & PLOT SIZE

Grape variety : 100% Pinot Noir on a 1.28 hectare plot

### TERROIR

This 50-hectare clos (walled vineyard) was created by the Monks of Cîteaux. Their cellar was located in the Château du Clos Vougeot, which is now the headquarters of the Confrérie des Chevaliers du Tastevin.

The soil has a large clay content, which accounts to the powerful, well-structured wines that have a rustic side when very young.

### VINIFICATION & AGEING

The grapes were handpicked into small crates, then sorted, 45% whole grapes and the rest destemmed.. The wine stayed on the skins for 19 days in temperature-controlled open oak vats. Pigeage (punching down the cap) was done twice a day during alcoholic fermentation.

100% malolactic fermentation

The wine was aged entirely in oak barrels.

Duration of barrel ageing : 21 months

### TASTING NOTES

Tasted in July 2024

COLOUR : Dark ruby red.

NOSE : Complex, floral touches, rose petals, green pepper notes evolving into very fresh menthol-gloss notes.

PALATE : Tasty and juicy, with fresh black fruit and very spicy notes. Dense finish with rich, sapid tannins.
