## Meursault Clos de Mazeray Village appellation 2013

2013

The sky fell down on our heads!

What a little difference a year makes... After an arduous weather in 2012 we hoped for a serene 2013 vintage, but Nature decided otherwise!

Once again, vines, throughout the growing season and until the final maturity of the grapes, underwent all assaults of nature: long and grey winter, sullen and rainy spring, slow growth cycle, late flowering (second half of June) with coulure and millerandage and a month of July marked by violent hailstorms, especially the one on 23rd July in Côte de Beaune that has caused large crop losses (from 10% to 100 % depending on location). All these weather conditions gave way to a significant drop in production. Fortunately, warm, dry, sunny August and soft and slightly damp September allowed the small amount of grapes to mature by the beginning of October. Nevertheless, we had to remain vigilant and very flexible facing the botrytis development on Chardonnay. Picking began on 2nd October, confirming 2013 as a late harvest vintage.

The overall quality of the wines is not affected by these weather disturbances. Red wines are dense with pronounced black fruit on the palate featuring refreshing spicy notes, ripe and digestible tannins. White wines are surprisingly aromatic with notes of yellow fruits, candied citrus and dried fruits, and vibrant and lively finish embracing beautiful structure on the palate.

### GRAPE VARIETY & PLOT SIZE

Grape variety: 100% Pinot Noir on a 0.25 hectare plot

### TERROIR

This walled vineyard owned exclusively by the Domaine is located on the outskirts of the town of Meursault. The vineyard was established by the monks of Cîteaux and has produced red and white wines ever since.

The clay-limestone soil sits atop a former river bed.

### VINIFICATION & AGEING

The grapes were handpicked into small crates, then sorted and totally destemmed. The wine stayed on the skins for 17 days in temperature-controlled open oak vats. Pigeage (punching down the cap) was done twice a day during alcoholic fermentation.

100% malolactic fermentation

Entirely aged entirely in oak barrels.

Duration of barrel ageing: 21 months

### TASTING NOTES

Tasted in November 2015

COLOUR: Intense ruby red.

NOSE: Berries with grains featuring flint notes.

PALATE: Spicy and fruity flavours with dense tannins.
