## Musigny Grand Cru 2007

2007 as opposed to 2005, when it was easy to grow ripe grapes, 2007 was an early-maturing year that called for a great deal of meticulous work in the vineyard.

It was necessary to be vigilant on all fronts in 2007, and those growers who did not keep close watch over their vines and correctly practise leaf thinning encountered difficulties. In May, vine growth was a month ahead of average but, by September, there was a major discrepancy between ripeness in the red and white grapes. Pinot Noir was fully ready to pick in late August, whereas Chardonnay needed more time. This was a "year of the winemaker", where making the right decisions was of paramount importance.

The red wines are delicious, with silky tannin.

### GRAPE VARIETY & PLOT SIZE

Grape variety: 100% Pinot Noir on a 0.77 hectare plot

### TERROIR

This is one of the greatest terroirs in the Côte de Nuits. The vineyard is located on a fault overlooking the Clos Vougeot and bordering on the Combe d'Orveau. Le Musigny has south-east facing sun exposure and a unique, sunny microclimate.

The thin, light soil has a high proportion of stones that not only guarantee good drainage, but also store heat in the daytime and release it at night.

The grapes are always very ripe and produce a velvety nectar with lovely floral (violet) aromas and an impressively long aftertaste.

### VINIFICATION & AGEING

The grapes were handpicked into small crates, then sorted and totally destemmed. The wine stayed on the skins for 23 days in temperature-controlled open oak vats. Pigeage (punching down the cap) was done twice a day during alcoholic fermentation.

100% malolactic fermentation

100% ageing in oak barrels

Duration of ageing: 16 months

### TASTING NOTES

Tasted in February 2009

COLOUR: Lovely, deep, ruby-red with light purplish highlights

NOSE: Very ethereal, but voluptuous with floral (violet), spicy, and toasty notes

PALATE: Silky, satiny texture with liquorice, spice and menthol flavours

Velvety, elegant, silky tannin
