

DOMAINE JACQUES PRIEUR

Musigny Grand Cru 2021

Vintage 2021

"Unimaginable and unthinkable"

A period of excessive heat at the end of March 2021 resulted in an early bud break, but the unthinkable was confirmed during the nights of 6 to 8 April with the return of winter in force (temperatures of -7°C / -8°C and snowfall). The frost damage to the buds was unmistakable and the losses observed were very significant.

With a cool and sunny spring, the vines had a lot of difficulties in coming back to life. The sudden return of heat in June caused flowering to be too quick, which led to heavy couluring / flower abortion and a further loss of harvest.

July saw significant rainfall and disease pressure was relentless. So work in the vineyards had to be managed with great precision. August was rather dry with cool nights, and veraison was difficult to start. A strong heterogeneity of maturity was noted between the vines that were heavily frosted and those less affected by the frost. Regular ripeness checks are compulsory to determine the right date for harvesting.

Harvesting began on 22 September.

GRAPE VARIETY & PLOT SIZE

Grape variety : 100% Pinot Noir on a 0.76 hectare plot

TERROIR

This is one of the greatest terroirs in the Côte de Nuits. The vineyard is located on a fault overlooking the Clos Vougeot and bordering on the Combe d'Orveau. Le Musigny has south-east facing sun exposure and a unique, sunny microclimate.

The thin, light soil has a high proportion of stones that not only guarantee good drainage, but also store heat in the daytime and release it at night. The grapes are always very ripe and produce a velvety nectar with lovely floral (violet) aromas and an impressively long aftertaste.

VINIFICATION & AGEING

The grapes were handpicked into small crates, then sorted and totally destemmed. The wine stayed on the skins for 19 days in temperature-controlled open oak vats. Pigeage (punching down the cap) was done twice a day during alcoholic fermentation.

100% malolactic fermentation The wine was aged entirely in oak barrels.

Duration of barrel ageing : 19 months

TASTING NOTES

Tasted in May 2023

COLOUR : Intense ruby red with a distinct purple disc.

NOSE : Finesse and elegance. Ethereal, nice floral notes (violet, rose petals).

PALATE : Tasty, small berries, appetizing toastiness. Fine and silky tannins. Very nice palatability on the finish.
